

# UGLY SHINGLES+ ROOF STAIN REMOVER

## PRODUCT INFORMATION

### READ THE PRODUCT LABEL AND INSTRUCTIONS BEFORE USING

**IMPORTANT:** Carefully read all directions, notes and conditions prior to use. Only use this product as directed on the label. For outdoor use only. Test on an inconspicuous area before using. Wearing full PPE is required when handling and applying this product. The minimum suit requirements are a hooded Tyvek or a chemical poly-coated suit that is coated with a polyethylene film to protect against splash/spray. (Shieldtech 55 Chemical Protection and Shieldtech 35 Liquid/Particulate Protection coveralls) Other required materials include: latex gloves and full face respirator with 3M 60923 P100 organic vapor/acid gas cartridge filter (or equivalent).

**PRODUCT INFORMATION:** UGLY SHINGLES - ROOF STAIN REMOVER is a commercial-strength roof stain remover ideal for stain removal projects of most size and scope. This product removes roof stains caused by algae and mildew on contact, leaving contaminated areas clean and free from stains. This product is non-abrasive, non-flammable, and will not scratch surfaces. This product also removes mold and algae stains from vinyl siding, plastic furniture, wood, concrete, pavers and awnings.

#### CAUTION:

Use appropriate precautions when using Ugly Shingles - Roof Stain Remover.

Always pre-test surfaces before using this product. This is a commercial-strength mold and algae stain removing compound with a chlorine-like aroma. Please consult the SDS and product label for specific instructions.

**STORAGE:** Inspect your package carefully to ensure contents were not damaged during shipment. Store Ugly Shingles - Roof Stain Remover in a cool, dark, non-carpeted area away from furniture in case of possible container degradation. If the container shows any signs of leakage, transfer solution to an unused HDPE container that can be sealed properly. **KEEP AWAY FROM CHILDREN AND ANIMALS**

**PERSONAL PROTECTIVE EQUIPMENT (PPE):** Wearing full PPE is required when handling and applying Ugly Shingles - Roof Stain Remover. The minimum suit requirements are a hooded Tyvek or a chemical poly-coated suit that is coated with a polyethylene film to protect against splash/spray. (Shieldtech 55 Chemical Protection and Shieldtech 35 Liquid/Particulate Protection coveralls) Other required materials include: latex gloves, and full face respirator with 3M 60923 P100 organic vapor/acid gas cartridge filter (or equivalent).

#### PRODUCT DIRECTIONS:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **DO NOT use this product full strength for cleaning surfaces.** Always dilute strictly in accordance with the directions.

**REQUIRED SAFETY PRECAUTIONS:** Before starting application, make sure you're wearing full PPE. See "Personal Protective Equipment" section above for details.

For best results, use on surfaces with a minimum temperature of 50° F (10° C).

Apply this product using an unused chemical-resistant sprayer or pump sprayer.  
**DO NOT OPEN PUMP SPRAYER WHEN IT IS UNDER PRESSURE.**

**Roof Stain Removal:** Mix 2 parts water and 1 part Ugly Shingles Roof Stain Remover. A heavier concentration, such as 1:1 mix can be used for more stubborn stains. Add water first then mix chemical into the water. Coverage: up to 300 sqft per mixed gallon.

**Outdoor Surface Stain Removal:** Mix 9 parts water and 1 part Ugly Shingles Roof Stain Remover. Add water first then mix chemical into the water. Coverage: up to 3,000 sqft per mixed gallon.

Spray surface until thoroughly saturated. Let stand until stain disappears. If evidence of mold or algae stain persists after product has dried, apply a second coat, let stand until stain has completely disappeared. When stains are completely gone, thoroughly rinse the surface with fresh water. When this product is being used for removing roof stains caused by mold or algae, all gutters should also be flushed with fresh water for several minutes after the roof surface has been thoroughly rinsed. Residual Roof Stain Remover may cause damage if not thoroughly rinsed with fresh water. All surrounding vegetation, flowers, grass and landscaping (including trees and bushes) will need to be thoroughly rinsed with fresh water before and immediately after this product is applied. This includes areas surrounding points of discharge for downspouts and french drains. Always pretest surfaces before using this product. Do not use on colored fabrics and materials, aluminum, steel, copper, glass, metal duct work or mechanicals. If Ugly Shingles - Roof Stain Remover is accidentally applied to any aluminum or metal materials, quickly wash area with soap and water and wipe down with WD-40. Do not use this product on painted surfaces < 6 months old.

**FIRST AID: IF IN EYES:** hold eye(s) open and rinse slowly and gently with water for 15-20 minutes; remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes; call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** take off contaminated clothing; rinse skin immediately with plenty of water for 15-20 minutes; call a poison control center or doctor for treatment advice. **IF INHALED:** move person to fresh air; if person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible; call a poison control center or doctor for further treatment advice. **IF SWALLOWED:** call poison control center or doctor immediately for treatment advice; have person sip a glass of water if able to swallow; do not induce vomiting unless told to do so by the poison control center or doctor; do not give anything by mouth to an unconscious person. **HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the usage of gastric lavage.

**HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS: DANGER: CORROSIVE.** Causes irreversible eye damage and skin burns. Do not get in eyes or on clothing. Wear goggles or face shield. Wear coveralls worn over long sleeved shirts, and long pants, socks, chemically resistant footwear and chemically resistant gloves. When mixing or loading wear a chemically resistant apron. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

SHIP AND STORE THIS CONTAINER IN AN UPRIGHT POSITION AT ALL TIMES. VENTED CAP MAY LEAK, CAUSING BLEACHING AND DAMAGE.
